Creative Jam LIVE

Spring___
Creative Jam

A Unique Experience __

Nothing beats being part of the amazing Auburn University community. That's why we are hosting a Creative Jam on April 16th to gather and listen to thought leaders share inspiring stories and compete in a tournament that puts your design thinking skills to the test using Adobe Creative Cloud.

Get involved — compete and show off your skills, get inspired by design luminaries, or connect with friends —and reap the benefits of networking and win a prize.

What are you waiting for? Join us on April 16th from 4pm to 9pm. Sign up at cjam.in/Auburnjam
